

WUG Share CA.gov Redesign

Stacey Walker
eServices Office

WUG Share

- New online, interactive community for WUG to
 - Share ideas, thoughts, join in
 - Start discussions
 - Blog about issues
 - Ask questions, get answers
 - Make comments
 - Share code snippets
 - Tag ideas and comments so they can be more searchable
-

What should I talk about?

- Web stuff
 - Your ideas for making things better
 - Questions about what others are doing
 - Map-making
 - Mobile apps
 - Online services
 - Social media
 - Content management systems
 - Web parts (especially those you want to share or get from other depts)
-

How it works

- Leverages the new statewide blog service offering (WordPress) that is available for everyone to use
 - Allows users to create an account, upload a profile, start discussions, and make comments
 - Notifies users of new posts through email or feeds
-

Next steps

- Watch for an email from us that explains how to register
 - Use [gravatar.com](https://www.gravatar.com) to upload a picture
 - Once you create an account and it is verified, you'll be able to make posts
 - www.wugshare.blogs.ca.gov
-

CA.gov redesign - update

- Usability and web redesign efforts underway
 - Volunteer workgroup meetings
 - Discussed like/don't like, ideas
 - current design
 - search, location aware
 - events/alerts
 - themes
 - resolution standards
 - code snippets/containers
 - wrapping problems
 - Focus on CA.gov - end of May
 - Template (header and footer)
-

Next steps

- Usability study
- Competitive analysis
- Design
- Workgroup feedback
- Rollout template/web containers

CA.gov - end of May

All - ?

Still looking for your best of web stories, ideas, feedback, etc....
